

MAJOR FUNCTION

This is specialized work in the coordination of all aspects of animal intake counseling and the lost and found program within the Tallahassee Animal Services. This position is responsible for receiving a segment of Tallahassee Animal Services annual animal intake while seizing all opportunities for humane education, to include varying aspects of pet retention services, behavior modification techniques, and providing customer service that embraces empathy, reassurance, reliability, responsiveness and look good/sounds good character qualities. Work is performed under the direction of the Supervisor-Animal Care. Work is monitored and reviewed quarterly through a formal evaluation process

ESSENTIAL AND OTHER IMPORTANT JOB DUTIES**Essential Duties**

Provides exceptional customer service by engaging in-depth unbiased conversations to disclose accurate, relevant and detailed information from individuals bringing animals to the facility. Uses information gathered to offer pet retention services, reunite the animal with its owner, relaying necessary information to animal care specialists, or determine if euthanasia is the proper outcome. Uses creative thinking to develop innovate programs and encourage customers to utilize all possible resources to maintain their pet, a stray pet, or to re-home the animal without bringing the animal to the Animal Service Center (ASC). Maintains lost and found animal reports and continuously cross reference reports with animals housed at the facility, along with websites containing lost and found animal reporting. Identifies breed and makes age determination of domestic species. Assists in routine cleaning/disinfecting protocols; intake procedures to include, but not limited to administering vaccines and anthelmintics to incoming animals; upload photos to the database; and manipulate animal control and safety equipment. Coordinates and monitors dog playgroup activity, recognizes behavioral issues and trained on performing behavior evaluations of all animals to determine levels of adoptability. Impounds incoming animals to include entering and the retrieval of data from animal ASC's specialized database. Performs clerical duties to include filing, answering multi-line phone systems and proper routing of calls and message taking, announcing utilizing a public address system, operating fax, copy and document scanning machines. Perform financial transactions, to include cash handing and processing debit and credit card transactions. Operates a microchip scanner, traces microchips and properly implants microchips in various domesticated species. Performs euthanasia of animals upon request, as well as checks euthanasia candidates against lost reports.

Other Important Duties

Performs related work as required.
