### Notes

More about this plan

The out-of-network coverage shown shows the rate you'll pay when you see a Delta Premier dentist or a non-Delta dentist.

Utilizing the Delta Dental Premier network through the Delta Dental Premier plan gives you a wider selection of in-network physicians and specialists to choose from.

Only the Dental PPO Plus Plan offers coverage for implants.

More about dental coverage

Your estimated out-of-pocket dental costs are determined by what is covered under each plan, and what level of coverage you choose to elect (basic vs. major) for yourself and any family members.
